

LIST OF PUBLICATIONS (1981 – 2007)

MANAGEMENT OF NATURAL FORESTS

Bensted-Smith and **Msangi, T.H., 1989:** Conservation of ecosystems and genetic resources. Tropical Forestry Action Plan. Working Paper for Forestry and Beekeeping Division, Dar es Salaam.

Bensted-Smith and **Msangi, T.H., 1989:** Conservation of ecosystems and genetic resources. Tropical Forestry Action Plan. Working Paper for Forestry and Beekeeping Division, Dar es Salaam.

Bakari, J.R., 1995: *Natural regeneration of 12 tree species in Rau Forest Reserve Tanzania:* Influence of distance from mother tree and orientation. Master of Science Thesis, Department of Forestry, Wageningen Agricultural University, The Netherlands. 77 p.

Bakari, J.R., 2002: *Single tree gaps and regeneration in Tanzania montane Forest.* Ph.D. Thesis. School of Agricultural and Forest Science, University of Wales, Bangor, UK. Xxv + 297.

Bujiji, S.B., Kagosi, P.J., and Kapinga, C. 2006: The role of Non Governmental Organizations in Intergrating Gender on Land Conservation in Refugee Affected Areas in Tanzania: A Case Study of Ngara District in North Western Tanzania. Proceedings of the Second National Agroforestry and Environment Workshop held in Mbeya 14 - 17 March 2006. Pp 230 – 241.

Hamilton, A.C., Ruffo, C.K., Mwashu, I.V., Mmari, C. and Lovett, J.C. 1989: A survey of forest types on the East Usambaras using the variable-area tree plot method. In: *Hamilton, A.C. and Bensted-Smith, R. (eds.) Forest Conservation in the East Usambara Mountains, Tanzania. IUCN, Gland, Switzerland and Cambridge, Uk*, pp. 213-226.

Hamilton, A.C., Ruffo, C.K., Mwashu, I.V., Mmari, C. Binggeli, P. and A. Macfadyen, A., 1989: Profile diagrams of the East Usambara forests. In: *Hamilton, A.C. and Bensted-Smith, R. (eds.) Forest Conservation in the East Usambara Mountains, Tanzania. IUCN, Gland, Switzerland and Cambridge, Uk*, pp. 241-254.

Hamisy, W.C., 2001: Stem debarking on *Ocotea usambarensis* in Lushoto, Tanzania. TAFORI Newsletter 2(1): 4-6.

Heinonen, J., **Zilihona, I. and Nummelin, M., 1999:** Looking for a quick, cheap and comprehensive method to investigate insect community. TAFORI *Newsletter*.

Kalaghe, A.G., Msangi, T.H. and Johansson, L., 1987: Conservation of catchment forests in the Usambara Mountains. *Journal of TAF*, 6:37-47.

Hamisy, W.S., 1999: Genetic variation in *Dalbergia melanoxylon*. A case study of Ubena and Mkundi populations in Tanzania. M.sc. Thesis. Department of Ecology and Systematics, University of Helsinki, Helsinki. 54 p.

Larsen, A.B., **Msangi, T.H., Mtika, J.A., Mathias, S.C.,** Graudal, L., **1997:** Ex situ conservation stands, Tanzania. Joint assessment, September 1997, TAFORI, NTSP, FAO and DFSC. Preliminary assessment report. Draft. Danida Forest Seed Centre, Denmark. i + 9p.

Mbwambo, L., Nshubemuki, L., Mhando, L., 2004: Preliminary Results on the Influence of stand Manipulation Technique on species Diversity in the Miombo woodlands of Tabora Tanzania. TAFORI Newsletter Vol 4 No. 2 PP 31 – 36.

Mbwambo, L.R. and Mbwiga, G., 2001: Botanical survey in the *Miombo* woodlands. A case of Urumwa and Igombe Forest Reserves, Tabora. *TAFORI Newsletter* 2(1): 10-13

Mbwambo, L., 2000: The growth of Mninga *Pterocarpus angolensis* (cuttings) in a tree increment plot at Ndala, Tabora, Tanzania. *TAFORI Newsletter* 1(2):5-10.

Mbwambo, L.R., 2000: Species Utilization Preferences and Resources Potential of *Miombo* Woodlands : a case of selected villages in Tabora, Tanzania. M Sc. Thesis. University of Stellenbosch, SA. Viii;100p.

Mbwambo, L.R., 1997: Tabora Miombo Woodland Research Centre. In: Mbwambo,LR; Mwang'ingo,PL; Masayanyika,SW; Isango,JA(eds.) Proceedings of the Second TAFORI Workshop on Setting Forestry Research Needs and Priorities, Lutheran Uhuru Hostel, Moshi, 18 - 22 August, 1997. Tanzania Forestry Research Institute, Morogoro, pp. 14-17.

Mgumia, F.H., 2001: The Traditional Ecological Knowledge and biodiversity conservation of the miombo woodlands by the Wanyamwezi in Tanzania. M.Sc. Thesis. Centre for International Environment and Development Studies (Noragric), Agricultural University of Norway (NLH), Norway. x, 99p.

Mgumia, F.H. and Oba, G., 2003: Potential role of sacred groves in biodiversity conservation in Tanzania. *Environmental Conservation* 30(3): 259 – 265.

Mmari, C. and Mabula, C.K., 1996: A botanical survey in Kawemba, Kiwetele and Kiranzi-Kitunguru Forest Reserves Udzungwa Mountains, Tanzania. Unpublished Report.

Mndolwa, M.A., 1999: Human impact on woody vegetation in Ruvu North Forest Reserve, Tanzania. M. Sc. Thesis. Faculty of Forestry and Nature Conservation, Sokoine University of Agriculture, Morogoro, Tanzania. 84p.

Mowo, J.G., **Mwihomeke, S.T.,** Mzoo, J.B. and **Msangi, T.H., 2000:** *Managing natural resources in the West Usambara Mountains: a glimmer of hope in the*

horizon. Directorate of research and development, Ministry of Agriculture and Food Security, Dar es Salaam. 14 p.

Mrema, F.A., Gereta, E. 1997: Vegetation monitoring in Tanzania. Paper presented to "SADC Training Course on Vegetation Monitoring Methods" 4-15 August 1997, Manzini, Swaziland. Manuscript, [Lushoto, Tanzania]. 6 pages.

Mrema, F.A. and Nummelin, M., 1998: Stem cracks and decay in *Newtonia buchananii* trees in the Mazumbai Forest Reserve, West Usambara Mountains, Tanzania. *Journal of East African Natural History* 87 (1/2): 327-338.

Msangi, T.H., 1986: The status of catchment forestry in Tanzania. *TAF Journal* 5: 37-45.

Msangi, T. H., 1990: Management of nature reserves and catchment forests in the Usambaras. Research for Conservation of Tanzanian Catchment Forests. *Proceedings from a workshop held in Morogoro, Tanzania, March 13-17, 1989*, pp. 13-19

Msangi, T. H., 1991: The medicinal plants of Tanzania as a genetic resource. A survey and assessment of conservation strategies. MSc Thesis in conservation and Utilization of Plant Genetic Resources, School of Biological Sciences, University of Birmingham, Birmingham,. 95 p.

Msangi, T.H., 1992: Conservation and management of catchment forests in Tanzania. Paper presented at the COSTECH 2nd R&D Advisory Committees Annual Seminar, 27 June, 1992, Dar-es-Salaam. TAFORI Silviculture Research Centre, Lushoto. 6 + 7 pages.

Msangi, T.H., 1995: Forest genetic resources of Tanzania, current status and conservation needs. Paper presented for the write up for a country report for the International Conference and Programme for plant genetic Resources - FAO.

Msangi, T.H., 2000: Forest genetic resources of Tanzania. *TAFORI Newsletter* 1(2): 12-16.

Msangi, T.H., Shoo, M.E., (Undated): Preliminary results of natural forest research in the East Usambara Forest Reserves. East Usambara Catchment Forest Project Trial Plots Rehabilitation Programme 1992/93. Lushoto Silviculture Research Centre, Lushoto. 32 pages.

Msangi, T.H., Wanyancha, J.M., 1987: The state of indigenous forest research in Tanzania. Paper presented at the Special Workshop on the Management and Development of Indigenous Forests in the SADCC Region, Victoria Falls - Zimbabwe, 19-27 October 1987. TAFORI, Lushoto. 11 + 2 + 1 pages.

Msangi, T.H., Mwihomeke, S.T., 1994: Ethnobotanical survey to recommend and identify suitable tree species for afforestation and agroforestry in Mwangi District - North Pare. A report to the TFAP - North Pare Project. Tanzania Forestry Research Institute, Lushoto.

Msangi, T.H., Hoza, I.S., Katalihwa, M., Kayega, E.U., **1998:** An overview of biodiversity values, threats and the need for their conservation in Tanzania. Tanzania's country report on the conservation of biodiversity. Paper presented at the Third Southern African Biodiversity Forum, Mbabane, Swaziland, 12th - 15th January, 1998. In: *Vokhiwa,ZM; Tsoka,E) Southern African Development Community (SADC) (ed.) Proceedings of the Third Southern African Sub-Regional Forum on the Strategies to Implement the Convention on the Biological Diversity, Manzini, Swaziland - 12th to 15th January, 1998. Lilongwe, Malawi, [10 pp.].*

Msangi T.H., Kayega, E.U. and Makame, J.K., **1999:** Strategies taken to implement the convention on biological diversity. Country report presented at the 4th SADC Biodiversity Forum 2-5 February 1999. Cabinda, Angola.

Mshiu, A.E. and Kitambi, G.A., (Undated): Timber Drying by using a Solar Kiln.. Tanzania Forestry Research Institute. (In print).

Msuya, T.S and M. A. Mndolwa. 2004: Indigenous management knowledge for sustainable utilization of medicinal plants in West Usambara Mountains, Tanzania. Paper presented at the International symposium on Gender and Forestry, held at Mweka Wildlife College, Tanzania. 1st – 10th August 2004.

Msuya, T. S., Mndolwa, M. and K. F. S. Hamza. 2004: Potential Role of Ruvu Fuelwood Pilot Project in forest conservation and reducing energy crisis in Dar Es Salaam city and nearby towns. Proceedings of the 18th Annual General Meeting of Tanzania Association of Foresters on Energy Crisis and Forest Destruction, 28TH – 30TH October, 2004, Morogoro Hotel, Morogoro. Pp 21-26.

Msuya, T.S., 1997: Sustainability of the present forest biodiversity conservation practices in Tanzania: the case of the West Usambara Mountains. In: *Mbwambo,LR; Mwang'ingo,PL; Masayanyika,SW; Isango,JA(eds.) Proceedings of the Second TAFORI Workshop on Setting Forestry Research Needs and Priorities, Lutheran Uhuru Hostel, Moshi, 18 - 22 August, 1997.* Tanzania Forestry Research Institute, Morogoro, pp. 101-103.

Msuya, T.S., 1998: Uses and indigenous conservation methods of wild plants: a case of West Usambara Mountains, Tanzania. MSc Thesis, Centre for International Environment and Development Studies (Noragric), Agricultural University of Norway. xiii + 112 p.

Msuya, T.S., 2002: Women and plant biodiversity conservation. *TAFORI Newsletter* 2(2): 17-18.

Mwihomeke, S.T., Zilihona, I.J.E., Hamisy, W.C. and Mwaseba, D., 2000: Assessment of forest user groups and their relationship to the condition of the natural forests in the Uluguru Mountains. Wildlife Conservation Society of Tanzania (WCST), Uluguru Mountains Biodiversity Conservation Project, Morogoro Tanzania. 57 p.

Mwihomeke, S.T., Msangi, T.H., Mabula, C.K., Ylhaaisi, J. and Mndeme, K.C.H., 1998: Traditionally protected forests and nature conservation in the North Pare Mountains and Handeni District, Tanzania. Special Issue (Proceedings) *Journal of Eastern African Natural History* 87(1/2): 279-290.

NORPLAN, 2001: Entomology field report, October 2001. Report produced for Tanzania Electric Supply Company Ltd. (TANESCO), Dar Es Salaam, Tanzania. Prepared by Hawkes, Peter and **Zilihona Innocent**. 43 p.

Nshubemuki, L., 1990: Future needs and resources for research on natural forests in Tanzania: some views from TAFORI. In: *Hedberg,I; Persson,E(eds.) Research for conservation of Tanzanian catchment forests. Proceedings from a workshop held in Morogoro, Tanzania, March 13-17, 1989. Uppsala universitet, Uppsala*, pp. 168-170.

Nshubemuki, L., 1993: *Dalbergia melanoxylon*: valuable wood from a neglected tree. NFT Highlights. NFTA 93-05.

Nshubemuki, L. Mugasha, A.G., 1995: Chance discoveries and germ-plasm conservation in Tanzania: some observations on 'reserved' trees. *Environmental Conservation* 22(1): 51-55.

Nshubemuki, L., Mhando, M.L., Mbwambo, L., Likumbuzya, T.K. and Lenge, B.S., 1996: Implementation of some applied research project profiles in the Forest Resources Management Project (FRMP) Tabora Sub-Component. A consultancy report submitted to the FRMP Dar es Salaam, 90p.

Nshubemuki, L., Mhando, L.M., Mbwambo, L. Lukumbuzya, T.K. and Lenge, B.S., 1998: Future production of flue cured tobacco in Tabora Region: issues on the production and supply of fuelwood. In: *Chamshama,SAO(eds.)Proceedings of the First Annual Forestry Research Workshop. Special Issue, Sokoine University of Agriculture, Faculty of Forestry, Record 67*, pp. 192-200.

Nshubemuki, L., 1994: The Tanzania Forestry Research Institute (TAFORI) herbarium catalogue. *TAFORI Newsletter* 1(1): 10.

Ruffo, C.K., Mmari, C., Kibuwa, S.P., Lovett, J., Iversen, S. and Hamilton, A.C., 1989: A preliminary list of plant species recorded from the East Usambara forests. In: Hamilton, A.C. and Bensted-Smith, R. (eds.) *Forest Conservation in the East Usambara Mountains, Tanzania*. IUCN, Gland, Switzerland and Cambridge, UK. pp. 157-180.

Ruffo, C.K., Mwashia, I.V. and Mmari, C., 1989: The use of medicinal plants in the East Usambaras. In: *Hamilton, A.C. and Bensted-Smith, R. (eds.) Forest Conservation in the East Usambara Mountains, Tanzania*. IUCN, Gland, Switzerland and Cambridge, Uk, pp. 195-206.

Ruffo, C.K., Chilongola, S.B. and Mabula, C.K., 1996: *Catalogue of Lushoto Herbarium Tanzania*. Tanzania Forestry Research Institute and Tanzania National

Tree Seed Programme, Morogoro. xx + 467 pages.

Nummelin, M. and **Nshubemuki, L., 1998:** Seasonality and structure of the arthropods community in a forested valley in the Uluguru Mountains, Eastern Tanzania. *Journal of East African Natural History* 87(1/2): 205-212.

Schlage, C., **Mabula, C.,** Mahunnah, R.L.A. and Heinrich, M., **2000:** Medicinal plants of the Washambaa (Tanzania): Documentation and ethnopharmacological evaluation. *Plant Biology* 2:83-92.

Shangali, C.F., Mabula, C.K. and Mmari, C., 1998: Biodiversity and human activities in the Udzungwa Mountains Forests, Tanzania. 1. Ethnobotanical survey in the Uzungwa Scarp Forest Reserve. Special Issue (Proceedings) *Journal of Eastern African Natural History* 87(1/2): 291-318.

Shoo, M.E., 1980: Phenological study of indigenous trees in the West Usambara, Tanzania. Tanzania Technical Note, No. 49.

Shoo, M.E., 1990: Phenology of some indigenous tree species in Tanzania. II seeding patterns.

Shoo, M.E., 1993: Forty years of research of *Milicia excelsa* in Tanzania.

Zilihona, E.I., 1999: Environmental implications of the lower Kihansi hydropower dam to arthropod community on the spray zone along the Kihansi Gorge, Southern Udzungwa Mountains, Tanzania. M. Sc. Thesis (Environmental Biology). University of Helsinki, Finland. 104p.

Zilihona, I.J.E. and Nummelin, M., 2001: Coleopteran and abundance in different habitats near Kihansi waterfall, in the Udzungwa Mountains, Tanzania. *Biodiversity and Conservation* 10: 769-777.

Zilihona, E.I. and Nummelin, M., 1999: A comparison of Coleopteran diversity and abundance along the Kihansi gorge, Udzungwa Mountains, Tanzania. In press.

Zilihona, I.J.E. and Nummelin, M., 1999: A comparison of sampling techniques for insect biodiversity studies in remote areas of Tanzania: a case of Udzungwa Mountains. In: Makundi, R.H. (ed.) *Challenges of Entomology in Africa in the 21st Century*. Proceedings of the Fourth Scientific Conference of the Tanzania Entomological Association 28th – 30th September 1999 TPRI – Arusha Tanzania. East Africa. Pp 96-102.

Zilihona, E.I. and Ntumi, C., 1998: A comparison of Coleopteran diversity in logged, unlogged and pine plantation in the Kibale forest, Western Uganda. Tropical Biology Association. 98/1 Project Report.

Zilihona, I., Heinonen, J., and Nummelin, M., 1998: Arthropods diversity and abundance along the Kihansi gorge (Kihansi river) in the Southern Udzungwa Mountains, Tanzania. 1. *Journal of East African Natural History* 87(1/2):233-240.

Zilihona, I., Shangali, C., Mabula, C.K. and Hamisy, C., 1998: Human activities threatening the biodiversity of the Udzungwa Scarp Forest Reserve - Tanzania. 1. *Journal of East African natural History* 87(1/2):319-326.

Zilihona, I.J.E., 2003: Response of invertebrates to human-caused disturbances in the East African tropical rainforest: *conservation implications*. Ph.D. Thesis. The Faculty of Science of the University of Helsinki, University of Helsinki, Finland. 96 p.

Zilihona, I.J.E., 2002: Biodiversity monitoring: insects are appropriate bioindicators. Department of Ecology and Systematics, Division of Population Biology, University of Helsinki. *Introductory Research Essay* 32: 1-32.

Zilihona, I.J.E., 2003: Are insects appropriate indicator taxa for biodiversity monitoring? *TAFORI Newsletter* 3(2): 17 – 21.

Mgumia, F.H., 2003: Indigenous Knowledge and vegetation classification: a case of the miombo woodlands in Tabora Region, Tanzania. *TAFORI Newsletter* 3(1): 8 – 11.

COMMUNITY AND FARM FORESTRY

Asenga, D., 1998: On farm evaluation of rotational woodlots in Shinyanga, Tanzania. In: *Kwesiga,FR; Dzwowela,BH; Maghembe,JA; Otsyina,R(eds.)Zambezi Basin Agroforestry Project for Sustainable Rural Development and Agroforestry Research Networks for Africa: Proceedings of the 11th regional project planning workshop, 1-5 July 1997, Chipata, Zambia. (Eds: International Centre for Research in Agroforestry, Nairobi, pp. 37-38.*

Bakengesa, S., Banzi, F., Luhende R., Maduka, S. and Chibwana, A., 2003: A successful agroforestry research and development initiative: a view from HASHI-ICRAF, Shinyanga, Tanzania. *TAFORI Newsletter* 3(2): 10 – 16.

Karachi, M., Lema, N., **Sabas, E.** and Shirima, D., **1994:** Growth, biomass production and plant mortality of seven *Sesbania sesban* var. *nubica* and three *Sesbania macrantha* accessions at Tumbi, Tanzania. *Forest Ecology and Management* 64(2-3):153-159.

Kigomo, B., Musokonyi, C., Nguvulu, C., **Nshubemuki, L.,** Chandauka, B. and Phiri, M., **2000:** A review of selected indigenous trees species of eastern and southern African region. *The University of Joensuu, Faculty of Forestry, Research Notes* 113:7-60..

Lieffers, Victor J., **Mugasha, A. G.** and MacDonald, S.E., **1993:** Ecophysiology of shade needles of *Picea glauca* saplings in relation to removal of competing hardwoods and degree of prior shading. *Tree Physiology* 12: 271-280.

Luhende, R. and Nyadzi, G., 2003: Above-ground biomass and volume models for Australian Acacias grown on-farm trials in rotational woodlots, Tabora, Tanzania. *TAFORI Newsletter* 3(2): 22 – 25.

Madoffe, S.S., Tarimo, J. and **Mwihomeke, ST., 1999:** Field observations of insect pests on agroforestry trees in Morogoro and Lushoto, Tanzania. In: Malimbwi, R.E. and Nsolomo, V.R. (eds.) Proceedings of SUA/AUN workshop on Tanzania forestry sector: problems and possible solutions, March 23rd – 26th 1998, Olmotonyi, Arusha, Tanzania. *Faculty of Forestry and Nature Conservation Record* 72:37-45.

Maliondo, S.M.S., Mbagha, P.H., **Sabas, E.,** Pederson, A. and Madoffe, S.S., **1998:** Growth and nutrients variation between *Grevillea robusta* provenances in Tanzania. *Southern African Forestry Journal* 183: 66-71.

Mbwambo, L., & Mgumia, F., 2004: Joint Forest Management of Urumwa Forest Reserve, Tabora Tanzania: Is Role Sharing opportune? *TAFORI Newsletter* Vol. 4: No. 2 PP 43 – 47.

Mbwambo, L., 2003: Off-forest tree resources conservation and tree planting in selected villages in Tabora Region, Tanzania. *TAFORI Newsletter* 3(2): 26 – 31.

Mrema, F.A., Granhall, U., Sennerby-Forsse, L., **1997:** Plant growth, leaf water potential, nitrogenase activity and nodule anatomy in *Leucaena leucocephala* as affected by water stress and nitrogen availability. *Trees* 12, 42-48.

Msangi, T.H., Shoo, M.E., Shangali, C. and Mabula, C.K., 1993: Renovation of East Usambara indigenous species experimental plots. A consultancy report submitted to the East Usambara Catchment Forest Project (EUCFP)

Msuya, T.S., M. Mndolwa and C. Kapinga. 2006: (*In press*). Domestication: An Indigenous Method in Conserving Plant Diversity on Farmlands in West Usambara Mountains, Tanzania. Paper accepted for publication in African Journal of Ecology

Msuya T. S ; M.A. Mndolwa; L. Mbwambo; L. Mhando; S. Bakengesa and E. Japhet. 2006: Factors Affecting Management Practices of Rotational Woodlots and *Ngitili* Systems and their Implication in Forest Restoration of degraded ecosystems in Shinyanga, Tanzania. Nikundiwe, A.M. and J.D.L. Kabigumila (Eds.) (2006). Drylands Ecosystems: Challenges and Opportunities for Sustainable Natural Resources Management: Proceedings of the Regional Workshop held at Hotel Impala, Arusha, Tanzania, 7-9 June 2006. Research Programme on Sustainable Use of Drylands Biodiversity, University of Dar es Salaam, Dar es Salaam. Pp 198-206.

Msuya, T. S., M. Mndolwa, S. Bakengesa, S. Maduka and C. Balama. 2006: Factors Affecting adoption and Dissemination of Agroforestry Technologies in Tanzania: A Case of HASHI/ICRAF and Ruvu Fuelwood Pilot Project. In: S.A.O. Chamshama *et al.* (Eds). Partnerships and Linkages for Greater Impact in Agroforestry and Environmental Awareness. Proceedings of the Second National Agroforestry and Environment Workshop held in Mbeya 14 - 17 March 2006. Pp 199 – 207.

Msuya, T. S., Mndolwa, M., Sabas, E., and Kindo, A., 2005: Ruvu Fuelwood Pilot Project: The contribution of forest research on its establishment and development; including its peculiarity to similar projects in Tanzania. *TAFORI Scientific Newsletter* Vol. 5 No. 1: 8 – 14.

Msuya, T.S, Shilogile E, Mndolwa, M.A and E. Sabas., 2004: Potentials of Joint Forest Management Embracing Agroforestry in Improving Livelihood of Communities Adjacent to Forest areas: Observations from Ruvu Fuelwood Pilot Project, Tanzania. *TAFORI Newsletter* Vol. 3 No. 2: 32 – 39.

Msuya, T.S., Mndolwa, M., Kindo, A and E. Shilogile., 2004: Role of Joint Forest Management in poverty alleviation and sustainable livelihood: Case of Ruvu Fuelwood Pilot Project, Tanzania. Paper presented at the International symposium on Gender and Forestry, held at Mweka Wildlife College, Tanzania. 1st – 10th August 2004.

Msuya, T.S., Shilogile E., Mndolwa, M.A. and Sabas, E., 2003: Potentials of Joint Forest Management embracing agroforestry in improving the livelihoods of communities adjacent to forest areas: observations from Ruvu Fuelwood Pilot Project, Tanzania. *TAFORI Newsletter* 3(2): 32 – 39

Msuya, T.S., Mndolwa, M.A. and Sabas, E., 2002: Comparison of indigenous and exotic fruits by number of species, consumption and preferences: a case of communities around Ruvu North Forest Reserve, Tanzania. *TAFORI Newsletter* 2(2): 19-24.

Mtui, D., Lekule, F.P., Shem, M.N., **Rubanza, C.D.K.**, Ichinohe, T., Hayashida, M., Fujihara, T. **2006:** Seasonal Influence on Mineral Content of Forages Used by Smallholder Dairy Farmers in Lowlands of Mvomero District, Morogoro, Tanzania. *Journal of Food Agriculture and Environmen.* (2006). World Food Ltd./ WFL Publisher. Helsinki, Finland. www.world-food.net (*In Press*).

Mugasha, A.G., Chamshama, S.A.O. and Nshubemuki, L., 2000: Effect of spacing on growth and yield of *Sesbania sesban* at Gairo in Morogoro Region, Tanzania. *Tanzania Journal of Forestry and Nature Conservation* 73:53-62.

Mwang'ingo, P.L.P., 2002: Ecology and silviculture of *Osyris lanceolata* (African sandalwood): an aromatic tree of Tanzania. PhD Thesis. School of Agriculture and Forest Sciences, University of Wales Bangor, United Kingdom. 263 p.

Mwang'ingo, P.L., Mwihomeke, S.T., 1997: Some highlights of a research programme into cultivation of *Osyris lanceolata*. In: *Mbwambo,LR; Mwang'ingo,PL; Masanyika,SW; Isango,JA(eds.) Proceedings of the Second TAFORI Workshop on Setting Forestry Research Needs and Priorities, Lutheran Uhuru Hostel, Moshi, 18 - 22 August, 1997. Tanzania Forestry Research Institute, Morogoro, pp. 82-83.*

Mwang'ingo, P.P.L., 1997: Propagation of *Parinari curatellifolia* Planch, ex Benth and *Uapaca kirkiana* Muell. Arg by seeds and stem cuttings. Master of Science

Thesis, Sokoine University of Agriculture, [Morogoro]. xv + 85 p.

Mwang'ingo, P.L., Mwihomeke, S.T., Mathias, S.C. and Msuya, T.S., 2002: Growth performance and wood production of four provenances of *Grevillea robusta* at Lushoto arboretum, Tanzania. *TAFORI Newsletter* 2(2): 25-30.

Mwang'ingo, P.L., **Lulandala, L.L. and Shellimoh, M., 2003:** Influence of origin of stem cuttings and different levels of Indole-3-Butyric Acid on the vegetative propagation of *Parinari curatellifolia*. *TAFORI Newsletter* 3(1): 12 – 19

Mwihomeke, S.T., 1979: Growth and yield of *Cupressus lusitanica* (Mill.) and *Pinus patula* (Schl. 7 Cham.) at Rongai and Uru in Kilimanjaro Region tree increment exp. Nos. 110, 111, 326A and 326, *Tanzania Silviculture Technical Note* No. 45.

Mwihomeke, S.T., 1987: Agroforestry for the densely populated Tanzanian highlands. M.Sc. Thesis, University College of North Wales, Bangor, UK. 112 p.

Mwihomeke, S.T., 1989: Comparative growth and productivity of potential agroforestry tree species (exotic and indigenous) at the Lushoto arboretum, in the West Usambara Mountains, Tanzania. Trees for Development in Sub-Saharan Africa. *Proceedings of a regional seminar held by the International Foundation for Science (IFS) ICRAF House, Nairobi, Kenya February 20-25, 1989*, pp. 77-87.

Mwihomeke, S.T., 1990: The progress of agroforestry research and demonstration plots at the Silviculture Research Centre, Lushoto, in the West Usambara Mountains. In: *Hedberg, I., Persson, A. (eds.) Research for conservation of Tanzanian catchment forests. proceedings from a workshop held in Morogoro, Tanzania, march 13-17, 1989. Uppsala Universitet, Uppsala, Sweden*, pp. 117-127.

Mwihomeke, S.T., 1990: Growth and fuelwood productivity of *Casuarina montana* Jungh. and its limitation for agroforestry use in the Tanzania highlands. In: *El-Lakany, M.H., Turnbull, J.W., Brewbaker, J.L. (eds.) Advances in Casuarina Research and Utilization. Proceedings of the Second International Casuarina Workshop, Cairo, Egypt, January 15-20, 1990. Desert Development Center, American University in Cairo, Cairo, Egypt*, pp. 222-232.

Mwihomeke, S.T., 1992: A comparative study of the rooting depth of *Grevillea robusta* interplanted with sugar-cane along contour strips. In: *Harwood, C.E.(ed.) Grevillea robusta in Agroforestry and Forestry. Proceedings of an International Workshop. International Centre for Research in Agroforestry, Nairobi*, pp. 117-120.

Mwihomeke, S.T., 1996: A field evaluation of agroforestry species in the West Usambara Mountains in Tanzania. In: *Ng'eny-Mengech, A. (ed.) Supporting Capacity Building in Forestry Research in Africa. Proceedings of the First International Symposium held at ICRAF Headquarters, Nairobi, Kenya, 28 June - 1 July 1994. International Foundation for Science, Stockholm*, pp. 395-410.
